Statement of Additional
Grounds for Review

I, Twinn Caldwell, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

State v. S Caldwell - 10/1/15

Steven Mell - Cross by Mr. Ryan

Pg. 164 - 4-6

4, Q. Was there any traces of any blood found anywhere
5, at the scene?

6, A. I don't think there was. I don't recall.

Steven Mell is a forensic investigator. When asked the question "Was there any traces of any blood found anywhere at the scene?" He should of had a professional answer. It is his job to know detail of a crime scene.

Additional Ground 2
State VS. Caldwell - 10/28/15
Sentencing
Pg 289 - 21 - 25

21. When I called the police and told them that
22. someone had come through and ran out the house,
23. that's what happened. We didn't get any help. Me
24. and my son didn't get any help. We were there to
25. help my brother clean this apartment up and that's what I did.

The 911 calls that I made were never
investigated.

Additional Ground 3
State VS. Caldwell - 10/28/15
Sentencing
Pg 291 - 3 - 7

3. Prosecution knows about the people that got hit. My
4. lawyer knows about the people that got hit. But they are
5. steadily sitting here telling me or making me look at some
6. deranged man who shot at the ceiling and floor boards
7. at nothing.

Mr. Curtis and Mr. Ryan both knew about the
intruders that were found dead in the house, both
left this out of the trial.
